Read the text about **Hopscotch**. Answer the questions below.

Hopscotch (Sikena)

Many children play **hopscotch**. It is a traditional Arabic game. It is very easy to play. Boys and girls can play this game. There can be one or more players. Each player will need a marker. This is how you can play the game. Draw ten big squares on the ground. Write numbers 1-10 in the big squares. Put your marker on number one. **Hop*** through the squares using one foot. **Jump over** the square you have your marker on. **Pick up** your marker on your way back. You can hop up and down many times. The first person to finish on square number ten wins the game!
