Read the text about **Tubby house**. Answer the questions below.

**Tubby house**

1. This is called the "**Tubby house**". A happy family of four people called the Nevilles live there. It is an eco-house because it is made from grass. It has two doors, in the front and back of the house. There are also four windows. The doors and windows are green.
2. Inside the house there are different rooms. In the kitchen there is a table where the Nevilles have their custard and toast. In the bedroom, there are four beds and they are painted pink and blue and have grey blankets that they sleep in. There is also a playroom where the children play together at 3pm every day.
3. Outside the house there is a lush and green garden with yellow flowers. There is also one windmill on a hill behind the house. There are also trees. The house has a beautiful view.
